

## Arrival Instructions

The Inn is in the **village of Chiesanuova**, situated on the Levanto hillside, in the province of La Spezia (Liguria). If you are using a navigator, please be sure to choose "Chiesanuova, Levanto, La Spezia" because there is more than one Chiesanuova in Liguria. **To contact us: +39 0187 814502**

### BY CAR

Take the **A12** Genova-Livorno Autostrada. **Exit at Carrodano-Levanto**. If driving south this exit is about 69 km. from Genoa or, if driving north, 30 km from La Spezia.

After the exit booth, turn left and follow the signs for Levanto and follow the SS 566d for about 12 km.

Just before entering the town of Levanto, you will see a hospital on the right and a red brick church on the left. Turn left here at the roundabout and follow the signs for **Monterosso al Mare**.

The village of Chiesanuova is **5 km** from Levanto and **6 km** before Monterosso.

After about 4 km, coming from Levanto, you will see a road on the right with a sign for Chiesanuova. DO NOT turn right here (unless night arrival, see below) as this road will take you to the bottom of the village which is a pedestrian walk way.

La Sosta di Ottone III is located in the upper part of the village, so please continue another 700 mt. passing the village of Legnaro on your left; you will come to a wide curve on the road where you will find a small space for parking on the left. This parking space (not lit) is just beyond a driveway with gates also on the left. At the top of the parking space you will also see a cement water tank; there is a La Sosta sign here.

Once you have parked, walk uphill for 10 mt. Across the road you will see a break in the guard rail and a path with a wooden fence leading to La Sosta di Ottone III (there is a sign at the beginning of the path indicating the way to La Sosta). If it is dusk you will see a switch which will turn on lights for the path.

After about 50 metres you will come to a group of stone houses; follow the sidewalk around to the left and left again until you come to green gates. Again there is a sign indicating Ottone III. **You have arrived!**

**Late Arrival:** Please note that check-in is **between 2.00 pm and 6.00 pm**, when the office closes. For late arrivals, please contact us for instructions. If reception is closed, we will leave the directions to your room on the gate.

**Night Arrival:** however, since the above mentioned parking space is not lit, we would advise you to take the small access road on the right which is 4 km from Levanto and signed "Chiesanuova". Park along the road as close as you can to the village and, on foot, take the only road there is up through Chiesanuova towards the church. Passing the church on your left, the lane takes you behind it; continue upwards and you will see that the lane turns to the right and continues quite steeply upwards bringing you to the entrance to La Sosta. **NB: If you choose to park in the previously mentioned parking space, we would advise you to bring a flashlight.**

### BY TRAIN

You can get off the train at either **Levanto** or **Monterosso**, since both stations are about 6 km. from La Sosta di Ottone III.
