### BY CAR

Take the **A 12** Genova-Livorno Autostrada. **Exit at Carrodano-Levanto**. If driving south this exit is about 69 km. from Genoa or, if driving north, 30 km from La Spezia.

After the **exit** booth, **turn left** and follow the signs for **Levanto** and follow the SS 566d for about **12 km**.

Just before **entering** the town of **Levanto**, you will find a **roundabout** with an **hospital on the right** and a **red brick church on the left**.

**Turn left** here and follow the direction **Monterosso al Mare**.

The village of Chiesanuova is **5 km** from Levanto and **6 km** before Monterosso.

After about **4 km**, coming from Levanto, you will see a **road on the right** with a sign for **Chiesanuova**. **DO NOT turn right here** (unless night arrival, see below) as this road will take you to the bottom of the village.

La Sosta di Ottone III is located in the upper part of the village, so please **continue** another **700 mt. passing** the village of **Legnaro** on your left **till** you will come to a **wide right curve** where you will find a **small space for parking on the left side of the road**.

This parking space is just beyond a driveway with gates also on the left. At the **top of the parking space** you will also see a **cement water tank**; there is a **LA SOSTA DI OTTONE III sign** here. Please use this parking space to offload luggage.

Once you have parked, **walk on the main the road** on the **left side** for **10 mt**.

**Across the road**, you will see a break in the guard rail and a **path with a wooden fence** leading to La Sosta di Ottone III (there is a **sign** at the beginning of the path indicating the way to La Sosta).

If it is **dusk** you will see a **switch** which will **turn on lights** for the **path**.

After about **50 metres** you will come to a group of **stone houses**;

Follow the sidewalk till the end then turn left and left again until you come to the enter green gates. There is a sign indicating LA SOSTA DI OTTONE III. **You have arrived!**

**Late Arrival:** Please note that check-in is **between 2.00 pm (14.00) and 6.00 pm (18.00)**, when the office closes. For late arrivals, please contact us for instructions. If reception is closed, we will leave the directions to your room on the gate.

**Night Arrival:** however, since the above mentioned parking space is not lit, we would advise you to take the small access road on the right which is 4 km from Levanto and signed "Chiesanuova".

Park along the road as close as you can to the village and, on foot, take the only road there is up through Chiesanuova towards the church. Passing the church on your left, the lane takes you behind it; continue upwards and you will see that the lane turns to the right and continues quite steeply upwards bringing you to the entrance to LA SOSTA DI OTTONE III.

**Parking:** La Sosta di Ottone III has no close parking facility, as Chiesanuova is not accessible by car. Parking is available:

- to offload luggage - at the top end of the village which will mean a maximum 80 metre walk to La Sosta;
- during your stay - at the bottom end of the village, 150 metre walk up to La Sosta, public and unguarded.

## BY TRAIN

You can get off the train at either **Levanto** or **Monterosso**, since both stations are about 6 km. from La Sosta di Ottone III.

We recommend **Monterosso** as there are more taxis available.

From here you will need to take a **taxi**; there are few in **Levanto** and more in **Monterosso**. The ride is about 10 minutes and costs 15/20 euro.

The numbers to call are:
